KROYI MU NSEM

05H30 – 09H40

MON - FRI

An information-based morning programme meant to give out the necessary local issues within Ashaniti Region, national and international information, be it political or social to our audience early in the morning.

Nana Jantuah

Began his media career with Kwame Nkrumah University of Science and Technology campus-based radio, Focus FM where he rose through the ranks as reporter, news anchor, producer and show host. He later worked as the morning show host at Shaft in Obuasi during school break while studying in Kwame Nkrumah University of Science and Technology before joining Light FM and Sunsum FM
