COMMUNITY SESSION
10H00-12H00

This show aims at reaching more people in the community by being a platform that informs and interacts with the audience in different local languages such as Bemba and Nyanja. The show has a wide audience and appeals to the community as it brings out issues that mainly affects communities such as alcohol abuse, early child marriages and development of roads and potholes in rural areas.

Presenter: Mo Mo

Kelvin is a well-known radio presenter whose ability to raise awareness on different issues affecting the communities has made him the peoples presenter.
